INCONCEIVABLE WILSON EBOOKS 2019

Author: Jason Tyler

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

Wilson goes: planes, boats, walking until the sun quits rising, until the sun stops existing, and there he begins, there he becomes. A place where the trees change shape and purpose, the environment lost to nothingness, where people speak in clatters and clicks, incomprehensible, a place where he is lost in blindness, deafening sickness, waves of unencumbered night. And Wilson unties within their circle, these people of pitch and tar, this village, these men and their women, their children. He should be reading them, writing words, penning a culture, creating a world from the tips of sentences, but he is instead consumed by them, bent to charcoal words on canvas made of darkness, hearing always and only the rattling of bones and laughter. Curtains open and he becomes less.
